**SOME WEEKS ARE LOTTERY WEEKS DUE TO HIGH DEMAND AND/OR LOW AVAILABILITY.** Week numbers with an "L" noted are always assigned by a lottery drawing one year in advance of the start date. However, any week can require a lottery drawing to assign units, if the number of requests received by the first day the week can be reserved, total more than the number of units available. In a lottery drawing the member/owner number of each request is placed in a bowl and the quantity of units available are drawn randomly from the bowl. The successful owners are notified by email from Eagle's Nest. Those who are not successful will be checked against their 2nd choice availability, then third. Requests may be emailed to [eaglesnest@hgv.com](mailto:eaglesnest@hgv.com).
